Good idea. The the SLO's were at the meeting last night. I think Sepulveda needs to have no parking 10 pm to 6 am, then 1 hr. All BID streets, I guess. Thoughts?

I think it is valuable to tell them in advance what you need or want from them. I might also be valuable to tell our slo's what will be talked about so they can be prepared...

I'd like to invite both of you to attend our next WTC BID Board Meeting on Oct 20 @ 10 AM.

I'd like Omar to present his slide presentation from last night's WPNC. The BID Board should be more knowledgeable about Manchester Square and the LAMP Project.

I'd like Anna to present the City's proposed parking restriction changes. (I forgot the fancy name you have for it). Anna you asked about parking restriction changes on Manchester and I think we sent an email of support to prohibit Overnight Parking. Is that right? Are those changes proceeding? Is Overnight Parking prohibited in the entire BID area? Particularly Sepulveda? If not, I think we need to get that in motion before the City implements their proposed changes.

Can we count on you for Oct 20?
